MEMORANDUM FOR: See Distribution

FROM : National Intelligence Officer for Africa

SUBJECT : Africa Warning Meeting, Tuesday, 21 October 1980

25X1

1. At the forthcoming warning meeting (Tuesday, 21 October 1980, 10:15 a.m., Room 7-E-62, CIA Headquarters), we will be concentrating more heavily on:

a. Horn of Africa - military developments; further in the way of Ethiopian reaction to signing of access agreement; any change in Soviet handling of this issue;

b. Zimbabwe - Are Mugabe's problems getting worse? Low significance? How do we assess "super ZANU", increased white emigration, increased lawlessness?;

c. Uganda - election prospects;

d. Zaire - Shaba province; and signs of FLNC activity;

e. Zambia - coup rumors and general dissatisfaction with the regime;

f. Liberia - any change for better or worse since last month; and

g. Tanzania - level of internal discontent as we approach the election.

25X1

2. These topics will not be to the exclusion of other areas of concern. If there are any specific subjects you would like to discuss, please give us a call so that we can ensure that the necessary expertise will be present.

25X1

3. Please call [] no later than COB Monday 20 October 1980 with the names and clearances of your representatives.
